Welcome to Walters State Community College!

And congratulations on the start of your college career.

You will experience a variety of differences in the college setting compared to your high school experience. Below are comparisons important to students with disabilities.

In high school

- Education is an entitlement.
- Accommodations are governed by Individuals with Disabilities Act: IDEA and Section 504, Rehabilitation Act of 1973.
- IDEA is focused on success.
- Students needing services are identified by the school. The school most often initiates the process of eligibility and service provision.
- School systems provide evaluations for determining eligibility at no cost to the student.
- Accommodations are outlined in an Individualized Education Plan (IEP) or Section 504 Plan.
- Teachers take responsibility for implementing the Individualized Education Plan (IEP).
- High schools can modify academic requirements such as required curriculum and grading.
- Parents have access to student records and often participate in the accommodation process.

In college

- Education is a choice.
- ADA is focused on access. Success is not guaranteed.
- Students must request accommodations through the office of Disability Services.
- The student must initiate the process of obtaining accommodations.
- Documenting disability is up to the student and is at their own expense. Walters State does not provide evaluations.
- At Walters State, accommodations are outlined in an Education Support Plan (ESP).
- Students are responsible for seeing that an Educational Support Plan (ESP) is implemented.
- Colleges are not required to alter any essential course requirements or adjust assignment deadlines.
- Parents do not have access to student records. Disabilities Services staff do not communicate with parents about the student without the student present.

“These college courses helped me be accepted at Purdue. I did spend a day at Purdue and met with a counselor, who went over my transcript. All of my credits from Walters State transferred. This is a good transition for anyone. I enjoyed both the freedom and the challenge of Dual Enrollment.”

Welcome to Walters State Community College Dual Enrollment Program!

Walters State Community College's Dual Enrollment Program is a state-approved, cooperative community venture provided by Walters State Community College. Dual Enrollment offers qualified high school students the opportunity to receive college credit at a relatively low cost while they complete their secondary education. It is designed to supplement and enrich students' high school experiences by providing access to collegiate education without interrupting their normal high school activities. The program has been successfully implemented in all high schools within the Walters State service area. Earned credits transfer to two-year and four-year accredited institutions from Walters State according to the discretion of the receiving institution.

Advantages of Dual Enrollment

- Students jump start their college experience and accelerate their college education.
- Students can earn transferable college credit(s).
- Students are intellectually and academically challenged through rigorous courses of study.
- Students have access to collegiate education without interrupting normal high school activities.
- Students earning 12 credit hours or more can be eligible for a high school diploma of distinction at their respective high school and a Walters State Promise Scholarship.

Requirements to be a Walters State Dual Enrollment Student

• Available only to junior and senior students from state-approved high schools or home-school agencies that have distinguished themselves by high academic achievement.

• Students must have a high school GPA of 3.0+ (letter grade of “B” - a numerical average of “88”) OR an ACT composite of 21. (Both are required for home-school students).

• Students enrolling in college-level composition, mathematics, or certain course(s) must have appropriate placement levels as determined by the Office of Enrollment Services.

  • Example: To register for ENGL 1010, student must meet or exceed both English sub score of 18 and Reading sub score of 19 on tests such as the ACT / ASPIRE. For more information, please view course descriptions for WSCC.

  • Student must complete English 1010 (Comp I) with a passing grade or present valid Advanced Placement (AP) scores to WSCC in order to proceed to English 1020 (Comp II).

Courses Available to Dual Enrollment Students

Dual Enrollment students may take any class for which they meet the prerequisites and/or eligibility requirements in any method of instruction (high school campus, any Walters State campus, or online). For a complete list of available general education courses, please click here to visit the catalog.

  • Textbook/supplies and/or access codes are in addition to tuition/fees amount and vary depending on the course(s) being taken.

  • Grades are assigned using the WSCC grading scale per-course syllabus. Final grades (A, B, C, D, F, or W) are distributed to the high school Counseling Office.

  • Students must maintain a cumulative 2.75 college GPA to continue eligibility with the Dual Enrollment Grant each semester.

Who Teaches Dual Enrollment

Dual Enrollment courses are taught by instructors who meet SACSCOC credentialing and are either a full-time Walters State faculty member, an adjunct instructor, or a high school teacher who meets criteria to teach as an adjunct instructor.

Where Will My College Credits Transfer

Students are encouraged to view the Course Equivalency Tables, located on the Walters State website at http://www.ws.edu/academics/transfer/equivalency-tables, for a listing of guides detailing which courses will transfer to specific institutions. Please note that equivalencies are subject to change as course content and offerings are revised at senior institutions. Your course evaluations are based on the equivalencies in effect when your official transcript is evaluated. (For new students, this occurs after you are admitted to a specific institution. For returning students, your transcripts are evaluated upon receipt). Please review your institution of choice for a complete Transfer Credit Policy in the Undergraduate Catalog for further information.

Walters State Transcripts

Graduating seniors planning to attend another institution other than Walters State must complete and submit a transcript request form to the Walters State Student Records Office online to Request Transcripts (or ws.edu/student-services_app/Transcripts) or at any Walters State campus location.

Advising materials state that as a college course, the dual enrollment course becomes part of the student’s permanent college transcript, which must be provided by the student to any college to which he/she applies.
How to Run your Degree Evaluation

• Log in to MyWS.
• Select Student.
• Select Student Records.
• Select Degree Evaluation.
• **Press Submit**
  • Select “What if Analysis” at the bottom of the page.
  • Select the term you want evaluated from the drop-down menu.
• **Press Continue**
  • Select the new program from the drop-down menu.
  *Leave the campus field blank.*
  • Select the major in the drop-down menu.
• **Press Submit**
  • Select the evaluation term from the drop-down menu.
• **Press “Generate Request”**
  *The new evaluation should appear.*

Your evaluation is specific to you in your chosen program of study. At the top of the page, it shows:

• Your overall progress.
• The number of overall credits required for your program of study.
• The number of credits you have taken.
• Your overall GPA.

It also shows if you have met the non-course requirements, such as:

• The Exit Exam.
• Graduation Exit Forms.

The next sections in the evaluation display:

• Your progress in meeting the general requirements toward your degree.
  *The “Yes” or “No” in the left hand column indicates whether the general requirements in a specific category have been met (i.e. Humanities, Natural Science, etc.)*
• Your progress in your specific area of emphasis.
• A list of non-program electives.
  *This section may be blank if all your credits count toward your degree.*
  • If you have previously achieved a certificate or other degree, courses may appear in this section.
• The last section shows courses not used.
  *This section shows courses not applicable to your chosen degree.*
  • Remedial/development courses.
  • Courses you withdrew from.
  • Failed courses.
  • Courses currently being repeated.

If you have questions regarding your degree evaluation, please contact your academic advisor.

Steps to Enroll in Dual Enrollment

- Follow the Application Process Steps 1-3. Complete and submit an online Walters State Application (first-year students)
- Follow the Registration Process. Complete and submit all required registration documents with all signatures and dates.
- Apply for the TSAC Dual Enrollment Grant each academic year.
- Check fee balance on MyWS account. Select Pay Tuition prior to deadline to pay remaining balance.

Application Process

Step 1: Apply

First-semester Dual Enrollment students who have never attended Walters State Community College previously, or students who have skipped a semester, must complete the online WSCC Dual Enrollment Application. 

ws.edu/admissions/apply

Under the High School Student (Dual Enrollment of Advanced Studies) section, select:

- Submit an Application Online.
- Create a Login ID/PIN.
- Select Application Type: Dual Enrollment.
- Click Continue and complete your Walters State Dual Enrollment Application.

NOTES:

- Your application information is case-sensitive — (example: John Smith rather than JOHN SMITH or john smith). Write down your Login ID and PIN for later use, if needed.
- You must complete all information requested prior to submitting your application.
- Remember, you must use your correct Social Security number (SSN) when completing your application, as this number must match what is listed on your Dual Enrollment Grant (DEG) application. Failure to use the correct SSN may result in a delay of your DEG funds posting to your WS account balance.

Applications submitted between 12 a.m. and 11:59 p.m. online will be processed the next business day.

- All students 18 years or older are required to provide proof of residency in order to receive the In-State tuition rate. Students should provide a valid, unexpired driver’s license, or state ID card with signature with registration documents.

Step 2: View Videos

First-semester Dual Enrollment students must view the two Getting Started with Dual Enrollment Orientation Videos: “Student Accounts” and “What to Expect Next” located at the bottom of the dual enrollment page:

ws.edu/academics/distance-ed/dual-enrollment

Immunization Health History

Step 3: Complete Form

First semester Dual Enrollment students must complete the enclosed Immunization Health History form. The form does not have to be signed by a doctor but must be signed by a parent or guardian for students under 18.

ws.edu/admissions/apply

Registration Process

ALL students must complete in full the WSCC Dual Enrollment Program Enrollment Permission form. This form must be completed each semester:

ws.edu/academics/distance-ed/dual-enrollment

- For each semester you plan to take Dual Enrollment course(s), submit this form to your high school counselor and obtain counselor’s signature.
- Submit a copy of your high school transcript with ACT/ASPIRE scores. ASPIRE scores will not be accepted once ACT scores are received and posted.

A Dual Enrollment Campus Representative will collect completed forms from your high school and begin the registration process.
Dual Enrollment Grant: Frequently Asked Questions

ALL students must complete the TSAC Dual Enrollment Grant application online for every semester the student enrolls in Dual Enrollment course(s): [tn.gov/content/tn/collegepays/tsac-student-portal.html](tn.gov/content/tn/collegepays/tsac-student-portal.html)

Students must be classified as a high school junior or senior and must have been a Tennessee resident for at least one year to qualify for the Dual Enrollment Grant.

What is the Dual Enrollment Grant?
The Dual Enrollment Grant program is defined as a grant for study at an eligible postsecondary institution funded from net proceeds of the state lottery and awarded to students attending an eligible high school and who are also enrolled in college courses at eligible postsecondary institutions for which they will receive college credit.

The Dual Enrollment Grant program is funded by the Tennessee Lottery and administered by the Tennessee Student Assistance Corporation. This program provides opportunities for students to begin working toward a college degree, while still pursuing a high school diploma.

What is the eligibility requirements a student must meet in order to receive grant funds?
To be eligible for the Dual Enrollment Grant program, a student enrolled in an eligible high school must be admitted to and enrolled in an eligible postsecondary institution. Institutional admission requirements will govern the initial grant eligibility of Dual Enrollment students. A student must be a Tennessee resident, as defined by Chapter 0240-2-2, classifying students In-State or Out-of-State, as promulgated by the Tennessee Board of Regents, for one year as of the application deadline of the semester of enrollment in an eligible postsecondary institution.

I have never taken a Dual Enrollment grant course. How much grant money will I be eligible to receive if I take my first Dual Enrollment course?
If you take your first dual enrollment grant course and have been a Tennessee resident for the last twelve months you will be eligible to receive funding in the amount of up to $500 per one three credit hour course.

I have never taken a Dual Enrollment course. How much grant money will I be eligible to receive if I take two Dual Enrollment courses?
If you take two Dual Enrollment courses and meet the Tennessee residency requirement as stated in question #2, you will be eligible to receive funding in the amount of up to $1,000 per two three-credit-hour courses. However, you must have a minimum 3.0 high school GPA or a minimum 21 ACT (980 SAT) Composite to receive funding for the second course.

I want to take three or more courses in the same semester. Am I eligible for additional grant assistance?
No. Students may receive funding for up to two courses per semester provided they have met the minimum GPA or ACT/SAT requirements to qualify for the HOPE Scholarship.

Students who have not met the minimum HOPE Scholarship requirements (GPA or ACT/SAT) are eligible to receive funding for one course per semester provided continuing eligibility is maintained.

How do I maintain Dual Enrollment grant eligibility semester-to-semester?
Students must maintain a minimum 2.75 cumulative college GPA for continued grant eligibility. Once a student becomes ineligible by falling below the 2.75 cumulative college GPA, the student cannot regain eligibility for the Dual Enrollment grant.
Once I have exhausted my initial $1,200 of grant funds, are additional funds available?

Yes, as long as you maintain a minimum 2.75 cumulative college GPA and have exceeded the maximum allowable Dual Enrollment grant funds ($1,200). At that point, you may draw funds from the HOPE scholarship on a dollar-for-dollar basis when you receive funding for your fifth through eighth Dual Enrollment courses. The funds will be deducted from your HOPE Scholarship in your freshman year of attendance until the funds are repaid.

I have previously received Dual Enrollment grant funds and want to take a four credit hour course, how much grant money would I be eligible to receive?

Provided you meet all requirements to participate in the dual enrollment grant, you will be eligible to receive funding of up to $100 per credit hour. For a four-hour course, you may receive up to $400 in Dual Enrollment grant funds.

What is the maximum amount of grant money for which I would be eligible during each academic year?

Students may receive up to $1,200 during each academic year provided the student has met the HOPE Scholarship eligibility requirements to do so.

The award amounts at eligible two-year institutions are as follows:

a. Up to $500 ........................................Course #1
b. Up to $500 ........................................Course #2
c. Up to $200 ........................................Course #3
d. No award ..............................................Course #4
e. Up to $100 per credit hour .............Course #5
f. Up to $100 per credit hour .............Course #6
g. Up to $100 per credit hour .............Course #7
h. Up to $100 per credit hour .............Course #8

Is there a deadline to complete the online application?

Yes. Students must complete the online Dual Enrollment Grant application located on TSAC’s College Pays website by the following dates:

- September 15  
  Fall Semester
- February 1  
  Spring Semester
- May 15  
  Summer Semester

On the right side of the page you will see “My Courses.” Underneath that, you should see “specific term.”

• When you see “specific term,” you can click on those words to expand the list of courses you are enrolled in for this term/semester.
• You should now see a list of all courses you are enrolled in for the respective term. You will not see these courses until after the first day of classes each semester unless you are in a class where the instructor has opened the class for you early.
• Click on the name of the course to enter the class. Begin by reading the information at the Course Home page of the course you have entered.
• Welcome to class!

Please note that students will not be able to login to eLEARN until the first day of class each semester.
Dual Enrollment Attendance Regulations

Attendance at classes and other official appointments is required. A student's schedule is considered an agreement and constitutes a series of obligated appointments. Attendance is also mandatory for those students eligible for the Dual Enrollment Grant. Those marked as “Never Attending” at the start of the semester are subject to the removal of funds as aid.

Absences are counted from the first scheduled meeting of the class. An explanation for the cause of all absences should be provided to the respective instructor. Students must inform instructors in advance of planned absences.

Dual Enrollment (DE) Students who may miss class due to an event hosted at their high school (i.e., sporting event, presentations, etc.) must notify their professor ahead of time and follow those specific instructions that are documented in their respective course syllabus. Students also will be required to present documentation of these events from their high school principal, counselor, or other school administration.

Students should log in to eLEARN regularly to remain up-to-date with all course content and communication with their instructor(s). Students who attend dedicated courses held at high schools might have additional assignments posted by their instructors in the event of a weather-related school closing.

Concerning weather-related closings, if a DE student attends courses on a Walters State campus, the student is expected to follow the policies set by Walters State, as stated in the Student Handbook. Additionally, those students who attend evening courses on off-campus sites also will follow this policy. However, if a student attends a course held at the respective high school during regular school hours, that student will follow the closing schedule announced by the high school.

Those high school students enrolled in web-based courses will follow the Walters State college calendar concerning all important dates and closings.

Changes in or cancellation of classes also will be announced on the following stations:

- **Morristown**
  - WCRK AM 1150

Students also are encouraged to enroll in the Senators Emergency Text (SET) System to receive SMS text messages for college closings, schedule changes, and other college-related emergencies.

**IMPORTANT:** Non-attendance does not constitute a withdrawal from classes or from the college. Procedures to formally drop a course or to withdraw from the college must be followed. Following these procedures may prevent students from receiving an undeserved “F” on their transcript.

Students who wish to withdraw or be removed from a course at any time prior to or during the semester must notify the WS Division of Distance Education through written notification, from themselves and their guidance counselor, to be removed from their requested course.
Walters State Community College
Dual Enrollment
Faculty Information

Dual enrollment courses are college courses, so dual enrollment students should be treated as college students, with all of the privileges, responsibilities, and expectations associated with college-level academic work, behavior, and attendance.

Communication

with students
- Request from high school counselors that students activate their electronic WSCC accounts before the course begins. Open your eLEARN course to initiate contact with students prior to the start of the course.
- Provide timely feedback on assignments.
- Notify students first about substandard performance, plagiarism concerns, attendance issues, low grades, etc.

with WSCC Distance Education
- Student is first point of contact. For persistent performance, attendance, or behavior issues, contact Distance Education at 423-585-6996 or Kayla Huber (kayla.huber@ws.edu). Copy department head on all email pertaining to persistent concerns.

with Walters State (through MyWS)
- Report attendance after first class meeting. Report progress on Faculty Feedback a minimum of twice per semester and if student performance changes.

with parents (copy Distance Education)
- Respond to parental inquiries after communication with student and only after verification of Partners in Education (PIE) form filed in WSCC Office of Student Affairs.

Classroom Management

at the high school
- Arrange a school visit through Distance Education before the semester begins to meet the principal/counselor, view the classroom, and determine technology access. Request your name be added to the high school distribution list for announcements and schedule changes.
- Create and maintain a college classroom environment, subject to division/departmental/WSCC academic and student conduct policies.

In on-campus/online dedicated Dual Enrollment class or on-campus/online class with mix of Dual Enrollment and traditional college students
- Treat the class as any other college class, maintaining communication regarding dual enrollment students as outlined above.

Course Management
- Maintain the standards and meet the course outcomes of the college-level course. Maintain consistency between syllabus and course activities/assessments. Provide clear and consistent feedback on assignments.
- Meet minimum eLEARN standards for all courses, whether they are taught face-to-face or online.
- Return feedback/grades as soon as possible after submission of assignments. Post all grades, including final course grades, in eLEARN.
- Check and reply to eLEARN and Senators Mail a minimum of every 24-48 hours, Monday through Friday.
- Check Senators Mail for frequent opportunities for faculty training, including training for Turnitin plagiarism detection software. See also the FACULTY DEVELOPMENT eLEARN course available to all WSCC faculty for how-to information on teaching/learning technologies.

Dual Enrollment

Student Information

Dual enrollment courses are college courses, so dual enrollment students will be treated as college students, with all of the privileges, responsibilities, and expectations associated with college-level academic work, behavior, and attendance.

Classroom Procedure

Note the calendar and attendance policies for the course. These may differ from the high school policies.

College courses move swiftly, so time on task is very important. Maturity, self-discipline, and focus while in class are key!

Remember that classes on WSCC campuses or online may include students of various ages and from a wide variety of backgrounds.

Course Success

Frequent, reliable access to the internet is critical. College courses operate on the eLEARN course management system, and the WSCC MyWS system frequently will provide important information.

- eLEARN Help: “How to Go To Class in eLEARN,” (handout from high school guidance counselor), “Student Guide to eLEARN” (eLEARN.ws.edu), or contact Dr. David White (david.white@ws.edu)
- Activating Senators Mail account or other technical difficulties: Contact the Walters State Helpdesk at 423-318-2742 (helpdesk.ws.edu)

Meet all course outcomes listed on the course syllabus. This will require applying college-level skills.

Check the course calendar frequently. It is the student’s responsibility to keep track of due dates and meet all deadlines.

When submitting work to an eLEARN dropbox, check for and save the submission confirmation message. Inquire about any missing grades with the instructor. A college instructor is not obligated to notify you when an assignment has not been submitted.

WSCC takes plagiarism very seriously and assigns consequences accordingly. Read the WSCC Student Conduct Policy regarding plagiarism (Walters State Catalog and Student Handbook, “Academic Misconduct,” catalog.ws.edu).

Communication

As with any college course, students are expected to communicate with instructors about assignments, grades, and/or class concerns.

Students should contact the instructor first through eLEARN email or in class with questions about assignments, assessments, return of graded assignments, or grades. Ask immediately when you have a question or concern. Don’t wait!

For persistent concerns, students should contact the high school counselor after they have contacted the instructor.

If students need to contact WSCC Distance Education, they may call 423.585.6989 or email Kayla Huber (kayla.huber@ws.edu).
Financial Responsibility Statement

Payment of Fees/Promise to Pay

I understand and agree that when I register for any class at the Walters State Community College, (hereinafter referred to as the "Institution") or receive any service from the Institution, I am accepting full responsibility to pay all tuition, fees and other associated charges assessed as a result of my registration, and/or receipt of services. I understand and agree that if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all or a portion of tuition and fees in accordance with the published tuition refund schedule at the Walters State Student Services Refunds web page or (ws.edu/student-services/cashiers-office/refunds/dates). I have read the terms and conditions of the published tuition refund schedule and understand those terms are incorporated herein by reference. I further understand that my failure to attend class or receive a bill does not absolve me of my financial responsibility as described above. If I expect financial aid to pay all or part of my financial obligations to the Institution, I understand and agree that it is my responsibility to meet all requirements for disbursement to my student account. I authorize the Institution to use the financial aid to pay for all education costs charged to my student account for my current term of enrollment or attendance at the Institution. I understand that it is my responsibility to ensure that all requirements of grantors, lenders, employers, and other third-party payers are met on a timely basis. I understand that despite my expectations for payment from financial aid or other sources, I am ultimately responsible for all charges incurred. I understand that my financial aid may be adjusted due to eligibility. I agree to pay back to the Institution any amounts for which I am not eligible under applicable financial aid guidelines. I understand and agree that it is my responsibility to review my Senators Mail email account and my account history via MyWS for notifications regarding balances due and payment deadlines each semester. I understand and agree that if I enter into an installment payment plan, the due dates and terms of the installment payment plan become part of this agreement and are incorporated herein by reference.

Delinquent Account/Collection

I understand and agree that I will be in default if: I break any promise made to the Institution or fail to perform promptly at the time and in the manner provided in my housing plan, meal plan, or tuition plan agreement with the Institution or if I fail to pay other charges, including but not limited to, parking fees or fines, or financial aid adjustments that post to my student account by the date due or at the point at which I am no longer enrolled. If there is an event of default, the Institution may exercise any remedy allowed by law, including one or more of the following, without notice or demand (except as required by law): (1) The Institution may declare the principal balance plus any late fees, fines or penalties immediately due and payable in full. Or (2) The Institution may hire or pay a third party to collect the debt including, without limitation, the pursuit of litigation. Financial Hold: I understand and agree that if I fail to pay my financial obligation to the Institution, the Institution, in accordance with the provisions of T.C.A. § 49-9-108, will place a financial hold on my student account, preventing me from registering for future classes, receiving grades or transcripts, or receiving my diploma. Late Payment Charge: I understand and agree that if I fail to pay my financial obligation to the Institution by the scheduled due date, the Institution may assess a late payment fee as approved by the Tennessee Board of Regents. Collection Agency Fees: I understand and accept that if I fail to pay my financial obligation to the Institution or fail to make acceptable payment arrangements to bring my account current, the Institution may refer my delinquent account to a collection agency. I further understand that I may be responsible for paying the collection agency fee, which may be based on a percentage at a maximum of 33-1/3 percent of my delinquent account, together with all fees and expenses, including reasonable attorney's fees, necessary for the collection of my delinquent account. I understand that my delinquent account may be reported to one or more of the national credit bureaus. Bankruptcy: I understand and agree Tuition and other related fees or charges may not be dischargeable in bankruptcy and may survive after the bankruptcy has closed and that I may still owe the debt to the Institution after the bankruptcy.
Communication

Method of Communication: I understand and agree that the Institution uses email addresses assigned by the Institution as an official method of communication with me, and that, therefore, I am responsible for reading the emails I receive from the Institution on a timely basis. Contact: I authorize the Institution and its agents and contractors to contact me at my current and any future cellular phone number(s), email address(es) or wireless device(s) regarding my delinquent student account(s) or loan(s), any other debt I owe to the Institution, or to receive general information from the Institution. I authorize the Institution and its agents and contractors to use automated telephone dialing equipment, artificial or pre-recorded voice or text messages, and personal calls and emails, in their efforts to contact me. Furthermore, I understand that I may withdraw my consent to call my cellular phone by submitting my request in writing to the Institution Bursar’s Office or in writing to the applicable contractor or agent contacting me on behalf of the Institution.

Updating Contact Information: I understand and agree that I am responsible for keeping the Institution’s records up to date with my physical addresses, email addresses, and phone numbers. Upon leaving the Institution for any reason, it is my responsibility to provide the Institution with updated contact information for purposes of continued communication regarding any amounts that remain due to the Institution.

Financial Aid

I understand that aid described as “memo,” “estimated,” or “authorized” on my Financial Aid Award does not represent actual or guaranteed payment, but is an estimate of the aid I may receive if I meet all requirements stipulated by that aid program. I understand that my Financial Aid Award is contingent upon my continued enrollment and attendance in each class upon which my financial aid eligibility was calculated. If I fail to attend, drop any class, or stop attending before completion, I understand that my financial aid eligibility may decrease and some or all of the financial aid awarded to me may be revoked or adjusted. If some or all of my financial aid is revoked or adjusted because I dropped, failed to attend, or stopped attending class, I agree to repay all revoked or adjusted aid that was disbursed to my account.

IRS Form

1098-T

I agree to provide my correct Social Security number (SSN) or taxpayer identification number (TIN) to the Institution upon request as required by Internal Revenue Service (IRS) regulations for Form 1098-T reporting purposes. If I fail to provide my correct SSN or TIN to the Institution, I may be responsible for paying any and all IRS fines assessed as a result of my missing SSN/TIN.

Billing Errors

I understand that administrative, clerical or technical billing errors do not absolve me of my financial responsibility to pay the correct amount of tuition, fees, and other associated financial obligations assessed as a result of my registration and attendance at the Institution.

Returned Payments/Failed Payment Agreements

If a payment made to my student account is returned by the bank for any reason, I agree to repay the original amount of the payment plus a returned payment fee of $30 and any applicable late fees. I understand that returned payments for tuition or multiple returned payments for non-tuition items may result in a permanent cash only payment status at the Institution. If any initial term payments for tuition are returned, the Institution reserves the right to delete my class schedule if not settled by the notification deadline.

Entire Agreement

This agreement, which is governed by Tennessee law, supersedes all prior understandings, representations, negotiations and correspondence between the student and the Institution, constitutes the entire agreement between the parties with respect to the matters described, and shall not be modified or affected by any course of dealing or course of performance. This agreement may be modified by the Institution if the modification is signed by me. Any modification is specifically limited to those policies and/or terms addressed in the modification.
Calculating Fees

To calculate fees for Academic Year, use the following formula:

\[
\text{Tuition/Fees + Non-Mandatory Fees - All grants, awards, scholarships, discounts} = \text{*TOTAL Amount Student Owes}
\]

*Dual Enrollment Fees DUE by 4 p.m. on a prescribed date published on the Cashier’s Office webpage under “Fee Payment Calendar” and on the attached Academic Calendar.

Students can access their MyWS account by following these steps:

- Log in to MyWS.
  [my.ws.edu]
- Select Student.
- Select Student Account.
- Select Account Detail for Term scroll to very bottom of page to see awards & scholarships authorized or posted

***Instructions and information on enrolling in the Deferred Payment Plan can be found on the Cashier’s Office payments page:
  [ws.edu/student-services/cashiers-office/payments]

Confirm enrollment by paying ALL tuition/fees or successfully enrolling in a Deferred Payment Plan the prescribed date listed on the Cashiers Office webpage listed above. Students may access their account balance via MyWS / StarNET or monitor their Senators Mail account for electronic notices. Payment of all fees or successful enrollment in a deferred payment plan confirms your enrollment, your class schedule, and your seat in the course(s) registered.

For additional information concerning Dual Enrollment fees and deadlines, please see the academic calendar available in registration packet.

Information for Parents

Remind students to check their MyWS student portal account regularly to view any updates or changes to their schedule.

See section titled “Activate Your MyWS/eLEARN Accounts”

- Feel free to follow us on Twitter and Facebook for announcements.
- Reminder: Textbooks are in addition to tuition and fees and are not covered by grant money.
- Fee Payment deadline is listed in the attached Academic Calendar and bookmark.

Get Set Up As an Authorized User for Your Student!

- Visit MyWS.
  [my.ws.edu]
- Click on Make an Authorized User Payment (parent/guest) located on the home screen.
- The student will log in using their credentials in the Students and Staff section of the page.
- After login, the student will click on Authorized Users at top of the page to enter in the email address of the new authorized user in the “Add Authorized User” section. The student will check the box to agree to the terms and conditions as they give permission to the new authorized user.
- The new authorized user will receive two emails with the email address and temporary password that will be used as an initial login. Afterward, the user will finish setting up personal information and changing their password.
