GENERAL INFORMATION

Firearms on Campus

In accordance with Tennessee State Law, no firearms shall be permitted on the WSCC campus or worn by a WSCC student or employee at any time other than the exceptions listed below:

WSCC Campus Police shall wear firearms in accordance with institutional policy.

Full-time peace officers on campus either in a student or visitor status may carry a firearm if required by local departmental regulations. Specifically, full-time uniformed peace officers are authorized to wear their arms in accordance with their uniform regulations; however, plain clothed peace officers must wear clothing which will permit the complete concealment of their firearms at all times. At no time will such firearms be visible.

Freedom of Expression

Walters State Community College considers freedom of inquiry and discussion essential to educational development and recognizes the right of students to engage in discussion, exchange thought and opinion, and speak freely on any subject in accord with guarantees of our state and national constitution. In addition, Walters State strives to develop in students a realization that citizens not only have the right, but also the obligation, to inform themselves regarding issues and problems of the day, to formulate standards regarding these, and to give expression to their views. In discharging these rights and obligations, however, students must also recognize their responsibilities to other individuals, to the college and its constituency, and to the state and nation. Walters State takes pride in the fact that its campus is open to free discussion and the examination of views with the condition that such discussion be accompanied by peaceful conditions consistent with a scholarly nature of an academic community.

Health and Accident Insurance

Walters State Community College offers a non-compulsory health and accident policy which will provide protections for students at a very low rate. The college is offering this group insurance as a service to you because the rates are lower than for individual policies. Policy information is available in the office of the vice president for Student Affairs.

Students are urged to participate in this group policy. Students participating in physical education classes, intramural activities and sports clubs are strongly encouraged to purchase this policy. This policy does not provide coverage for students while they are participating in intercollegiate competition or practicing for such competition.

Nondiscrimination on the Basis of Sex

Walters State has developed a policy of reaffirming the fact that the college does not discriminate on the basis of sex in the educational programs or activities which it operates. The college's policy is as follows:

It is the policy of Walters State Community College not to discriminate on the basis of sex in the educational programs or activities which it operates, including employment therein and the admission of students thereto, and Walters State Community College is required by Title IX of the Education Amendments of 1972, and regulations issued pursuant thereto (45 C.F.R Part 86) (and by Section 799A and 845 of the Public Health Service Act and regulations) issued pursuant thereto not to discriminate in such manner. Inquiries concerning the application of the Acts and the regulations to Walters State Community College may be referred to the President or the executive director of Human Resources/Affirmative Action Officer.

Search and Seizure

State law provides that students and their property on the Walters State Campus may be searched and where necessary seized on the basis of a determination of probable cause. Probable cause may be found where the facts and circumstances within college administrators' knowledge and of which they have reasonable trustworthy information are sufficient in themselves to warrant a search in the belief that a violation of the college's regulations has been or is being committed. The decision to implement a search of a student or property will be made by either the vice president for Student Affairs or the President in that order and should be based upon a signed statement (warrant if possible) by a person setting forth in detail the facts and circumstance justifying the search, and where based in whole or in part on hearsay evidence, stating the underlying circumstances from which the person concluded that the third person was creditable or information reliable.

In exceptional circumstances a warrantless search may be made, and college personnel may proceed with the search without a written authorization. Such circumstances are limited to those where the fruits of violation of the college's regulation on contraband can be said to be in imminent danger of disappearance, destruction, or removal.

When the student voluntarily consents to a search, no written authorization for the search is required. A voluntary consent in writing will be requested, however, from the student. In addition, in all cases where a search is to be made of a student's property or premises, the student should be present for the search whenever possible.

In the event that police or other law enforcement officials not employed by the college request permission to search for a student or property, the college will not consent to the search unless the officials have a search warrant for that particular student or property. All questions concerning this subject should be directed to the office of the vice president for Student Affairs or to the President of the college.

Sexual Harassment

Walters State Community College is committed to providing its faculty, staff and students with an environment free from implicit and explicit coercive sexual behavior used to control, influence, or affect the well being of an individual at the college. Sexual harassment of any person is inappropriate and unacceptable and is grounds for disciplinary action. It may also, depending on its nature, constitute a violation of federal law. Any student who has a complaint regarding sexual harassment may contact the vice president for Student Affairs for information and assistance relative to the procedure for review of the complaint.

Student Complaints

Walters State has established procedures for receiving and responding to student's issues and complaints. Grade appeals are resolved through the vice president for Academic Affairs. Academic integrity violations are reviewed jointly by the vice presidents for Academic Affairs and Student Affairs. All other student complaints including: student discipline, disclosure of student records, sexual harassment complaints, disability accommodations, racial harassment and discrimination are resolved through the vice president for Student Affairs. If a student has any question about the applicable procedure to follow for a particular complaint, they should consult with the vice president for Student Affairs. In particular, the vice president for Student Affairs should advise a student if some other procedure is applicable to the type of complaint a student has expressed.

Initially, students are encouraged to attempt to resolve complaints informally with the appropriated faculty or staff member, director, department head, dean, or vice president to facilitate an informal resolution. If informal resolution is unsuccessful, or if the

student does not pursue information resolution, the student may file a written complaint to the vice president for Student Affairs.

1. The written complaint to the vice president for Student Affairs shall be filed within 30 calendar days of the alleged issue unless there is good cause shown for delay, including but not limited to delay caused by an attempt at informal resolution. The written complaint shall be specific as possible in describing the issue of complaint.
2. The vice president for Student Affairs shall promptly notify the individual(s) of the complaint filed against them, with emphasis on stating that the filing of the complaint does not imply any wrongdoing has occurred and that they (the defendant) must not retaliate in any way against the student who has filed the complaint.
3. Once the written complaint is received and reviewed, the vice president for Student Affairs will consult with the appropriate vice presidents, dean, directors, department heads, faculty and/or staff.
4. The vice president for Student Affairs shall separately interview the complaining student, the alleged perpetrator and other persons to the extent necessary to conduct the investigation. If the vice president believes it would be helpful, he or she may meet again with the student and the alleged perpetrator after completing the investigation in an effort to resolve the matter. The complainant and the defendant have the right to have a representative (student government representative or attorney) present during the initial meeting, the interview and any post-investigation meeting.
5. At the conclusion of the investigation, the vice president for Student Affairs shall issue a written report setting forth his or her findings and recommendations. In ordinary cases, it is expected that the investigation and written report should be completed within 30 days of the date the complaint was filed.
6. If either the student or the alleged perpetrator is not satisfied with the report of the vice president for Student Affairs, the student or defendant may file a written appeal to the college president within 10 calendar days of receiving the report. The president may choose to establish an Appeals Committee to review the findings of the report by the vice president for Student Affairs. The Appeals Committee may or may not choose to conduct another investigation following the review of the written report. The Appeals Committee shall make their recommendation to the president within 20 calendar days of receiving the appeal.
7. After the president's review, if the complaint is still not resolved, the student will be advised that he/she can contact the State Postsecondary Program Review office at the Tennessee Higher Education Commission at 615-532-7286.
8. In the event the complaint filed by the student related to a Family Educational Rights and Privacy Act (FERPA) issue, complaints of violation by the institution may be filed with the Office of the Secretary, United States Department of Education.

STUDENT RIGHTS AND FREEDOMS

Preamble

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Institutional procedures for achieving these purposes may vary from campus to campus, but the minimal standards of academic freedom of students outlined below are essential to any community of scholars.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility.

The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community. Tennessee Board of Regents institutions have developed policies and procedures which provide and safeguard this freedom. The purpose of this statement is to enumerate the essential provisions for students' freedom to learn.

Freedom of Access to Higher Education

The admissions policies of each Tennessee Board of Regents institution are a matter of institutional choice, provided that each institution makes clear the characteristics and expectations of students which it considers relevant to success in the institution's program. Under no circumstances should a student be barred from admission to a particular institution on the basis of race. Thus, within the limits of its facilities, each institution should be open to all students who are qualified according to its admissions standards. The facilities and services of a TBR institution should be open to all of its enrolled students.

In the Classroom

The professor in the classroom and in conference should encourage free discussion, inquiry, and expression. Student performance should be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

1. Protection of Freedom of Expression

Students should be free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.

2. Protection Against Improper Academic Evaluation

Students should have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled.

3. Protection Against Improper Disclosure

Certain information about students is protected from public disclosure by Federal and state laws. Protection against improper disclosure is a serious professional obligation. Judgments of ability and character may be provided under appropriate circumstances.

Adapted from AAUP Statement of Rights and Freedoms of Students.

The committee makes recommendations directly to the President for final approval. The chair of this committee is appointed by the President. An exception to this may be made for cases involving a violation or questioning of an academic standard or practice. In such cases, they would be heard by the Academic Affairs Committee.

Faculty Advisors

Members of the Walters State administrative staff or faculty are appointed to supervise each official college extra-class activity. It is the purpose of this person to ensure the activity is conducted safely, in compliance with college policies, does not infringe upon the rights of others, and meets the objectives for which the activity was planned. Each request for approval of an extra-class activity

which is submitted to the office of the vice president for Student Affairs for approval must include the name of the faculty person or administrator who is to supervise the activity.

Student Activities/Access Fee

The president of Walters State Community College, after a recommendation by the Student Government Association and approval by the student body, approved the collection of a \$5 activity/access fee from each student enrolled in a credit course on campus during each semester of the academic year. This action was taken pursuant to authority granted the college and the Student Government Association by Chapter 606 of the Tennessee Public Acts of 1978. The collection of this fee will be beneficial to Walters State's students by (1) providing additional scholarships to WSCC students, (2) increasing the amount of major student activity programming, (3) assisting all student organizations by providing funding for operational budgets and operational needs, and (4) supplementing the Student Government Association budget so as to increase the organization's ability to deliver improved services to students.

Intramural Athletics

In recognition that physical fitness should be a life-long objective and that competition is inherent to the American way of life it is natural to combine the two in athletics. It is believed that there is much to be learned as well as enjoyed through participation in a wide variety of games and sports. Since it is possible for only a small percentage of the students enrollment to participate in intercollegiate athletics, students are encouraged to participate in the comprehensive WSCC Intramural Program.

The objectives of the WSCC Intramural Program are to:

1. Provide a wide program of athletic competition for students and faculty in both individual and team sports.
2. Provide the opportunity for each team or individual to participate in as many games or matches as possible.
3. Involve as many students as possible in as many different sports as possible.
4. Maintain high standards of competition in conducting intramural play.
5. Insure proper supervision and quality officiating to maintain fair and safe play.

Intramural activities will include foosball, flag football, basketball, co-ed basketball, ping-pong, softball, and co-ed softball. Tournaments will be conducted in many of these activities. Tournament registration dates will be published in the weekly *Bulletin*. Students are encouraged to participate in the intramural program and also to offer suggestion which may lead to its improvement. Schedules for intramural competition will be posted on INFOSYS and listed in the weekly *Bulletin* and college newspaper. For more information or details on any intramural activity, please contact the office of the administrative coordinator of Student Activities and Student Services.

These are publicized and announced well in advance so that you may make plans to attend. These activities are provided for you, and we hope that you will find time to attend as many of these as you possibly can.

Honors

Each year the Student Affairs Division, in cooperation and coordination with the staff and faculty, sponsors a Student Honors Day for the purpose of recognizing those students who have been leaders and outstanding participants in academic and student development activities at Walters State during the year. Honors currently awarded include the following:

GUEST SPEAKER POLICY

Guest Speaker Policy

The following off-campus policy of the Board of Regents shall be applicable to all institutions in the State University and Community College System of Tennessee.

1. The colleges and universities in the State University and Community College System recognize the right of officially recognized student and faculty organizations and groups to hear off-campus, or outside speakers on the various campuses. However, there is no absolute right to assemble or to make a speech at any time or place regardless of the circumstances, content of speech, purpose of assembly, or probable consequences of such meeting or speech, and the issuance of invitations to off-campus or outside speakers for any meetings, activities or events on campus shall be limited in the following particulars:
 - a. A request to invite an outside speaker will be considered only when made by an officially recognized student organization or a faculty group recognized by the president of the college or university.
 - b. No invitation by such an organized group shall be issued to an outside speaker without the prior written approval of the president of the institution, or such person as may be designated (hereinafter referred to as an authorized designee); provided that the president of an institution may authorize organizations to invite guest speakers for meeting of the organization without

prior approval where attendance at the meeting will be limited to members of the organization and where no fee or compensation will be paid to the speaker.

- c. Any student or faculty organization meeting for which an outside speaker will be invited will be limited to members of the organization, provided that a request to invite an outside speaker may include a request to permit students or faculty members who are not members of the organization initiating the request, and/or other designated guest, to attend the meeting.
- d. A request to invite an outside speaker to whom any payment would have to be from college or university funds is subject to the availability of funds specifically programmed for that purpose, and no payment of any funds shall be made except pursuant to the Board of Regents' Guidelines for Personal Service, Professional Service, and Consultant Service Contracts. In the event any college or university funds are approved for payment, the meeting for which the outside speaker will be invited should be open to all students or all faculty members, or both, unless otherwise designated on the approval of the request.
- e. Any speaker request shall be made in writing by an officer of the student or faculty organization desiring to sponsor the proposed speaker not later than 10 days (excluding holidays and weekends) prior to the date of the proposed speaking engagements; provided that the president or authorized designee may approve exceptions to the minimum notice requirement in appropriate cases; and further provided that in the event the proposed outside speaker will be paid a total fee and expenses in excess of \$2,500, the request must be submitted no later than 30 days prior to the date of the proposed speaking engagement. The request shall contain the name of the sponsoring organization, the proposed date, time and location of the meeting, the expected size of the audience, the name and address of the proposed speaker, and the topic of the speech. Any request not acted upon by the president of the college or university or authorized designee, within five days (excluding holidays and weekends) prior to the event shall be deemed denied.
- f. Any speaker request is subject to the availability of the requested meeting place for the meeting time and date requested. In the event the space requested is not available for the requested time and date of the meeting, or is otherwise inappropriate for the proposed meeting or the requested speaking engagement would cause substantial interference with the normal activities of the institution if conducted at the time and place requested, alternative meeting space which is available may be offered by the institution, or the sponsoring organization is free to request a more suitable date. Any space which is approved for a meeting is subject to limitations on the number of persons who may attend in accordance with appropriate building and fire codes and safety standards.
- g. A request for an outside speaker by a recognized organization may be denied if the president of the college or university, or authorized designee, determines that the proposed speech will constitute a clear and present danger to the institution's orderly operation by the speaker's advocacy of such actions as:
 - (1) The violent overthrow of the government of the United States, the State of Tennessee, or any political subdivision thereof; or

- (2) The willful damage or destruction, or seizure and subversion of the institution's building or other property; or
 - (3) The forcible disruption or impairment of, or interference with, the institution's regularly scheduled classes, or other educational functions; or

In determining the existence of a clear and present danger, the president of the institution or authorized designee, may consider all relevant factors, including whether such speaker has, within the past five years, incited violence resulting in the destruction of property at any college or university.
- h. In the event that a request for an outside speaker is denied by the institution, any sponsoring organization thereby aggrieved shall have the opportunity to appeal from the denial. A written appeal to the president of the institution, or authorized designee, must be submitted within 24 hours from the initial denial to approve the request, and the organization will be provided a hearing within two days (excluding holidays and weekends) following the filing of its appeal before an impartial committee designated by the president or authorized designee. The committee shall be authorized to make appropriate findings of fact related to the request, and shall make and transmit such findings to the president within said two-day period. The president shall review the findings of the committee, and solely on the basis thereof, shall grant or deny the request within 24 hours (excluding holidays and weekends) from receipt of the findings of the committee.
 - i. In the event of a proposed meeting which will be attended by strong emotional feelings, or where there is a reasonable possibility that a speaker, members of an organization, or others may violate federal state or local laws or campus regulations in the course of a meeting, the president or authorized representative shall prescribe reasonable conditions for the orderly and scholarly conduct of the meeting. Such conditions may include membership, appointing one or more officials of the institution to preside over the meeting, authorize a search of all persons entering the area of the meeting, and such other conditions as the institution deems appropriate.
 - j. The representative of the organization inviting the speaker shall at the time of the invitation provide the speaker or speaker's agent, with a copy of this speaker policy and campus regulations. By acceptance of the invitation to speak, the speaker shall assume full responsibility for any violation of law or campus regulations committed while on campus.
 - k. Any meeting, assembly, or other activity to which an outside speaker may be invited is subject to all requirements, conditions and approvals set forth in any policy of the Board and/or the institution concerning the use of campus property and facilities.
2. The provisions of Section 1 shall not apply to invitations by departments to guest lectures for any academic course at an institution which shall be subject to the approval of the appropriate department or division head.

SUMMARY OF DRUG-FREE CAMPUS/WORKPLACE POLICY

The following summary of Walters State Community College's policy and penalties relative to controlled substances (illicit drugs) and alcohol, as required by the Drug-Free Schools and Communities Act Amendments of 1989, is being provided to each student enrolled at the college. As a student of Walters State, you are required to be knowledgeable of and comply with WSCC Policy No. 06:40:00 Drug-Free Campus/Workplace Policy, the applicable provisions of which are summarized below:

Standards Of Conduct

Walters State Community College employees and students are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, use or being under the influence of illegal drugs or alcohol on the college campus, at off-campus facilities owned or controlled by the college or as a part of college sponsored activities. All categories of employees and students are subject to this policy and to applicable federal, state and local laws related to this matter.

Legal Sanctions Under Local, State, And Federal Law

Various federal, state and local statutes make it unlawful to manufacture, distribute, dispense, deliver, sell or possess with intent to manufacture, distribute, dispense, deliver or sell, controlled substances. The penalty imposed depends upon many factors which include the type and amount of controlled substance involved, the number of prior offenses, if any, whether death or serious bodily injury resulted from the use of such substance, and whether any other crimes were committed in connection with the use of the controlled substance. Possible maximum penalties for a first-time violation include imprisonment for any period of time up to a term of life imprisonment, a fine of up to \$4,000,000 if an individual, supervised release, any combination of the above, or all three. These sanctions are doubled when the offense involves either: 1.) distribution or possession at or near a school or college campus, or 2.) distribution to persons under 21 years of age. Repeat offenders may be punished to a greater extent as provided by statute. Further, a civil penalty of up to \$10,000 may be assessed for simple possession of "personal use amounts" of certain specified substances under federal law. Under state law, the offense of possession or casual exchange is punishable as a Class A misdemeanor; if there is an exchange between a minor and an adult at least two years the minor's senior, and the adult knew that the person was a minor, the offense is classified a felony as provided in T.C.A. S39-17-417. (21 U.S.C. S801, et. seq.; T.C.A. S39-17-417)

It is unlawful for any person under the age of twenty-one (21) to buy, possess, transport (unless in the course of his employment), or consume alcoholic beverages, wine, or beer, such offenses being classified Class A misdemeanors punishable by imprisonment for not more than 11 months, 29 days, or a fine of not more than \$2,500, or both. (T.C.A. SS1-3-113, 57-5-301). It is further an offense to provide alcoholic beverages to any person under the age of twenty-one (21), such offense being classified as a Class A misdemeanor. (T.C.A. S39-15-404. The offense of public intoxication is a Class C misdemeanor punishable by imprisonment of not more than 30 days or a fine of not more than \$50, or both. (T.C.A. S39-17-310)

Health Risks Associated With the Use of Illicit Drugs and/Or Abuse of Alcohol

Every drug, including alcohol, is a potential poison which may cause disability and death if it is taken incorrectly into the body, consumed in wrong amounts or mixed indiscriminately with other drugs. Drugs cause physical and emotional dependence. Drugs and their harmful side effects can remain in the body long after use has stopped. The extent to which a drug is retained in the body depends

on the drug's chemical composition, that is whether or not it is fat-soluble. Fat-soluble drugs such as marijuana, phencyclidine (PCP), and lyseric acid (LSD) seek out and settle in the fatty tissues. As a result, they build up in the fatty parts of the body such as the brain and reproductive system. Such accumulations of drugs and their slow release over time may cause delayed effects weeks, months, and even years after drug use has stopped.

There are many health risks associated with the use of illicit drugs and the abuse of alcohol including organic damage; impairment of brain activity, digestion, and blood circulation; impairment of physiological processes and mental functioning; and, physical and psychological dependence. Such use during pregnancy may cause spontaneous abortion, various birth defects or fetal alcohol syndrome. Additionally, the illicit use of drugs increases the risk of contracting hepatitis, AIDS and other infections. If used excessively, the use of alcohol or drugs singly or in certain combinations may cause death.

DRUG AND ALCOHOL COUNSELING, TREATMENT AND REHABILITATION PROGRAMS

College Health Clinic

The Campus Nurse provides confidential counseling to students and employees on drug and alcohol related problems. This service is furnished at no cost to students or employees. The Campus Nurse also coordinates the administration of the college Drug-Free Awareness Program.

Penalties and Sanctions

Appropriate action shall be taken in all cases in which faculty members, students or staff employees are determined to be in violation of the Drug-Free Schools and Communities Act Amendments of 1989 as implemented by this policy. Any alleged violation of the Act by a student of the college shall be reported to the vice president for Student Affairs. The circumstances surrounding the offense and the facts as determined by appropriate investigation will be fully reviewed prior to a decision on the action to be taken. Possible disciplinary sanctions for failure to comply with the provisions of this policy may include one or a combination of the following:

1. Probation;
2. Mandatory participation in, and satisfactory completion of a drug/alcohol abuse program, or rehabilitation program;

SEX CRIMES PREVENTION ACT

The federal Campus Sex Crimes Prevention Act and the Tennessee College and University Campus Sex Crimes Prevention Act of 2002 require that whenever a sex offender becomes employed, enrolls as a student or volunteers at an institution of higher education in the state of Tennessee, he or she must complete or update the Tennessee Bureau of Investigation (TBI) sexual offender registration/monitoring form and deliver it to TBI headquarters in Nashville. As defined in section 40-39-102 of the Tennessee Code, a "sexual offender" means a person who is, or has been, convicted in this state of committing a sexual offense or who is, or has been, convicted in another state or another country, or who is or has been convicted in a federal or military court, of committing an act which would have constituted a sexual offense if it had been committed in this state. A "sexual offense" means the commission of acts including but not limited to aggravated and statutory rape, sexual battery, sexual exploitation of a minor, aggravated prostitution, and kidnapping. Both acts designate certain information concerning a registered sexual offender as public information and therefore amend and supercede the Family Education Rights and Privacy Act (FERPA) and other federal and state laws that previously prohibited the disclosure of such personal information. Since the laws require the publication of information pertaining to sexual offenders employed, enrolled, or volunteering at an educational institution, said publication does not constitute grounds for a grievance or complaint under institutional or Tennessee Board of Regents policies or procedures.

WSSC Policy - Campus Sex Crimes Prevention Act

The "College and University Security and Information Act" as enacted by the State of Tennessee and in conjunction with federal legislation, requires that each college make available certain information within the college's community relative to safety and security matters. In this regard, Walters State Community College is providing the information contained herein to assure that the college's community, students, faculty and staff are appropriately advised and informed relative to college security and safety procedures and applicable crime statistics.

In compliance with the federal Campus Sex Crimes Prevention Act and the Tennessee College and University Campus Sex Crimes Prevention Act of 2002, members of the campus community may obtain the most recent information received from the Tennessee Bureau of Investigation (TBI) concerning sex offenders employed,

enrolled or volunteering at this institution at the Campus Police Office located in the Information Center. Information is also available on the TBI's website listing of sex offenders located on the internet at http://www.ticic.state.tn.us/SEX_ofndr/search_short.asp.

MINORS ON CAMPUS POLICY

Walters State Community College is an institution of higher education and as such must preserve conditions that will permit a proper learning and working environment at all times. Thus, minor children must not be left unsupervised on campus. It is not the intent of this policy to prevent children in the accompaniment of an adult from visiting the campus. However, consideration for the learning

environment of the student, the work routine of staff employees, and the safety of the children requires that children may not accompany adults into classrooms, offices, or other work spaces as a babysitting function nor be left unsupervised in the hallways of buildings or on the grounds of the college.

In certain circumstances, children may be on campus for classes held for their benefit (EDU Camps, field trips, etc.). At such times, it is expected that the instructor or responsible adult will supervise the activities of the children, and that before and after the class an area will be designated for the children to await the arrival of their parents. It is the responsibility of the supervisor/instructor of these activities to explain these restrictions to the children and to monitor the enforcement where feasible.

GENERAL REGULATIONS ON STUDENT CONDUCT AND DISCIPLINARY SANCTIONS

Institution Policy Statement

1. College students are citizens of the state, local and national governments, and of the academic community. As such, they are expected to conduct themselves as law-abiding members of each community at all times. Admission to an institution of higher education carries with it special privileges and imposes special responsibilities apart from those rights and duties enjoyed by non-students. In recognition of the special relationship that exists between the institution and the academic community which it seeks to serve, the Tennessee Board of Regents has authorized the President of the college to take such actions as may be necessary to maintain campus conditions and preserve the integrity of the institution and its educational environment.
2. Pursuant to this authorization, the college has developed the following regulations that are intended to govern student conduct on the campus. In addition, students are subject to all federal, state and local laws and ordinances. If a student's violation of such laws or ordinances also adversely affects the institution's pursuit of its educational objectives, the institution may enforce its own regulations regardless of

any proceedings instituted by other authorities. Conversely, violation of any section of these regulations may subject a student to sanctions by the institution whether or not such conduct is simultaneously violative of state, local, or federal laws. Additionally, all student athletics, allied health, and nursing students are subject to alcohol and drug testing as required by clinical agencies or under "reasonable suspicion testing" as stated in each allied health and nursing program handbook.

1. The classroom instructor has the primary responsibility for maintaining academic integrity and controlling classroom behavior.
2. Individual or group conduct subject to sanctions shall include but not be limited to the following:
 - a. Plagiarism, cheating, and other forms of academic dishonesty. Students guilty of academic dishonesty either directly or indirectly through participation or assistance are immediately responsible to the instructor of the class.
 - b. Other conduct described in the section, General Offenses, if such offenses occur in the classroom.
 - c. Other conduct described in handbooks for specific programs of study.
3. The classroom instructor has the authority to sanction a student engaged in conduct that is disruptive or conduct that violates these regulations or regulations specified in handbooks for specific programs:
 - a. The instructor can assign an "F" or a "zero" for the exercise or examination, or assign an "F" in the course.
 - b. The instructor can order that the student be temporarily removed or excluded from the classroom. Additionally, the student may be sanctioned as defined in the next section of the College catalog or in a handbook for a specific program of study. Extended or permanent exclusion from the classroom or further sanctions can be imposed only through appropriate procedures of the institutions.
4. Disruptive behavior in the classroom may be defined as, but is not limited to, behavior that obstructs or disrupts the learning environment (e.g., offensive language, (unrelated to classroom content), harassment of students and professors, repeated outbursts from a student which disrupt the flow of instruction or prevent concentration on the subject taught, failure to cooperate in maintaining classroom decorum, etc.), the continued use of any electronic and other noise or light emitting device which disturbs others (e.g., disturbing noise from beepers, cell phones, palm pilots, laptop computers, games, etc.)
5. Class attendance and punctuality requirements are established between the faculty and the students, through specific expectations for attendance and punctuality and specific consequences that are outlined by individual faculty members in the printed syllabus for each course. Students are expected to attend classes regularly and on time and are responsible for giving explanations/rationale for absences and lateness directly to the faculty member for each course in which they are enrolled.

In cases where student absences are the result of emergency circumstances (e.g., death in the family, a student's serious injury or incapacitating illness), for which students are unable to make immediate contact with the faculty, the student may contact the office of Student Affairs for assistance in

providing such immediate notification to faculty. However, the student remains responsible for verifying the emergency circumstances to faculty and for discussing arrangements with faculty for completion of course work requirements.

6. The student may appeal these sanctions through the appropriate institutional procedures. The section, Due Process Procedures, describes the institution's disciplinary and appeal processes available to the student.

Sanctions

1. Upon a determination that a student or organization has violated any of the regulations, the following disciplinary sanctions may be imposed, either singly or in combination, by the appropriate institution officials.
2. Definition of Sanctions:
 - a. Restitution. A student who has committed an offense against property may be required to reimburse the institution or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to actual cost of repair or replacement.
 - b. Warning. The appropriate institution official may notify the student that continuation or repetition of specified conduct may be the cause for other disciplinary action.
 - c. Reprimand. A written reprimand, or censure, may be given any student or organization whose conduct violates any parts of these regulations. Such a reprimand does not restrict the student in any way, but does have important consequences. It signifies to the student that he or she is in effect being given another chance to conduct himself or herself as a proper member of the institution community, but that any further violation may result in more serious sanctions.
 - d. Restriction. A restriction upon a student's or organization's privileges for a period of time may be imposed. This restriction may include, for example, denial of right to represent the institution in any way, denial of the use of facilities, parking privileges, participation in extracurricular activities or restriction of organizational privileges.
 - e. Probation. Continued enrollment of a student on probation may entail strict adherence to these regulations. Any student placed on probation will be notified of such in writing and will be notified of the terms and length of the probation. Probation may include restrictions upon the extracurricular activities of a student. Any conduct in violation of these regulations while on probationary status may result in the imposition of a more serious sanction.
 - f. Suspension. If a student is suspended, he or she is separated from the institution for a stated period of time. Conditions of readmission will be stated in the notice of suspension.
 - g. Expulsion. Expulsion entails a permanent separation from the institution. The imposition of this sanction is a permanent bar to the student's readmission to the institution.
 - h. Interim or summary suspension. Though as a general rule, the status of a student accused of violations of these regulations should not be altered until a final determination has been made in regard to the charges against him or her, summary suspension may be imposed upon a finding by the appropriate institution official that the continued presence of the accused on campus constitutes an immediate threat to the physical safety and well-being of the accused, or of any other member of the institution community or its guest, destruction of property, or substantial disruption of classroom or other campus activities. In any case of immediate suspension, the student shall be given an opportunity at the time of the decision or immediately thereafter to contest the suspension. If there are disputed issues of fact or cause and effect, the student shall be pro-

- vided a hearing on the suspension as soon as possible.
- i. Mandatory participation in and satisfactory completion of, a drug or alcohol abuse program, or rehabilitation program.
3. The President of the college is authorized, at his or her discretion, to subsequently convert any sanction imposed to a lesser sanction, or to rescind any previous sanction.

Disability Parking Procedures

All students, faculty, and staff with disabilities who intend to park a motor vehicle in an area designated for individuals with disabilities must have a valid state disability parking permit (i.e., plates, hang tags and placards). Temporary WSCC disabled permits are available for three weeks duration. Persons who have a disability that is not visible will need to have a doctor's statement to verify the disability. After three weeks, an individual will be required to have a temporary state placard or hang tag.

Applications for State of Tennessee disability parking permits are available at the county clerk offices and local municipal offices.

As a state institution, the Campus Police Department is mandated to ensure that operators of motorized vehicles are in compliance with all disabled parking regulations. The Campus Police work closely with the State Department of Motor Vehicle Records to verify that disabled placards used in vehicles parked on the Walters State campus are registered to currently enrolled students. Vehicles displaying disabled placards which are not registered to a currently enrolled Walters State Student will be cited and assessed a \$100.00 fine.

Students, faculty and staff utilizing disabled parking must come by the Campus Police Office to register their vehicle license tag number, disabled placard number and student hang tag number.

The fine for parking in areas designated for individuals with disabilities without the valid state parking permit or the WSCC three-week temporary hang tag will be \$100.00. This policy will be strictly enforced.

AMERICANS WITH DISABILITIES ACT GRIEVANCE PROCEDURE

Purpose

The purpose of this procedure is to provide a clear, orderly and expedient method through which all persons may process bona fide complaints related to Title II of the Americans with Disabilities Act (ADA), which states, in part, that “no otherwise qualified disabled individual shall, solely by reason of such disability, be excluded from the participation in, be denied the benefits of, or be subject to discrimination” in programs or activities sponsored by a public entity such as the institution.

Scope

This procedure is available to all persons.

Steps for Filing a Complaint

A complaint should be addressed to the institutional ADA Coordinator. The assistant vice president for Student Affairs has been designated by the president to coordinate ADA compliance efforts.

A complaint may be made verbally or in writing, preferably in writing, and must provide the name and address of the person making it and a brief description of the alleged violation of ADA regulations.

A complaint must be filed within 10 working days after the complainant becomes aware of the alleged violation.

Investigation

The ADA Coordinator will investigate the complaint. The investigation will include, but not necessarily be limited to, interviews with the complainant and with college personnel in charge of the area in which the alleged violation occurred. All interested parties will be provided an opportunity to submit evidence relevant to the complaint, and the investigation will be conducted in a manner which protects any due process rights of parties concerned and also insures that the institution complies with the ADA and its implementing regulations.

When the investigation is complete, the ADA Coordinator will issue a written determination concerning the validity of the complaint and a description of the resolution, if any. This statement will be provided to the complainant no later than 20 working days following receipt of the complaint.

Steps for Filing an Appeal

The complainant may request a reconsideration of the case in instances where the complainant is dissatisfied with the resolution. Request for reconsideration should be made in writing to the President within 10 working days from receipt of the determination.

Maintenance of Records

The ADA Coordinator will maintain files and records of the institution relating to the complaint.

please monitor local TV and radio stations for weather-related announcements.
